

Mihai PEȘTE

General Manager, Rețele Electrice

Mihai Pește is the General Manager of Rețele Electrice România, the electricity distribution company of PPC Group in Romania. Mihai previously led E-Distribuție Muntenia and Enel's electricity distribution operations in Rio de Janeiro, Brazil, as well as the network development department of the Enel Group in Brazil, between 2020 and 2023.

Mihai joined the Enel companies in Romania in the summer of 2006 as an electrical network design engineer. Then he underwent an intensive managerial development program, so that, after 2011, for more than 10 years, he managed the distribution networks in Ilfov and Bucharest, and coordinated (after 2015) the electricity distribution in the Muntenia region. In 2004, he graduated from the Faculty of Electrical Engineering at Transilvania University of Brașov, and today he is one of the top specialists in Romania in the energy field.
